1

Financial District

Start your tour from San Francisco downtown, surrounded by skyscrapers that dominate the skyline (Transamerica Pyramid, Salesforce Tower), there is a wealth of tech businesses and Fortune 500 companies.

2

San Francisco-Oakland Bay Bridge

The San Francisco-Oakland Bay Bridge is the region's workhorse bridge, carrying more than a third of the traffic of all of the state-owned bridges combined. It is also a jewel along the San Francisco waterfront.

3

Fisherman’s Wharf

Fisherman's Wharf is cherished for its old-world charm, local fishermen, delectable seafood, and iconic sea lions. But there's a new attraction on the horizon with the SkyStar Fisherman's Wharf Ferris Wheel set to breathe new life into this iconic neighborhood — a visible symbol of San Francisco’s continued revitalization efforts.

4

Pacific Heights

Pacific Heights (often referred to as Pac Heights[4]) is a neighborhood in San Francisco, California, United States. It has panoramic views of the Golden Gate Bridge, San Francisco Bay, the Palace of Fine Arts, Alcatraz, and the Presidio.

5

Fort Point National Historic Site

From its vantage point overlooking the spectacular Golden Gate, Fort Point defended the San Francisco Bay following California's Gold Rush through World War II. Its beautifully arched casemates display the art of 3rd system brick masonry and interacts gracefully with the Golden Gate Bridge.

6

Golden Gate Bridge

Visiting the world famous Golden Gate Bridge is a unique experience for everyone. Whether you hike, walk, bike, shop, take a guided tour, or just sit back and take it all in, there is something for everyone.The Bridge's Welcome Center offers merchandise and historical information. Open daily from 9:00 a.m. to 6:00 p.m., the Welcome Center is the first on-site center dedicated to telling the stories of the Golden Gate Bridge. The Center welcomes visitors, provides orientation and information services, houses exhibits, and offers high-quality commemorative and interpretive merchandise, and also showcases the original 12-foot stainless steel Bridge "test tower" used in 1933.

7

Sausalito

Sausalito is just a ferry ride across the bay and offers unique tours, attractions such as “Bay Model” and “Bay Area Discovery Museum,” enchanting boutique shops, art studios and galleries and a wide selection of restaurants, outdoor cafes and bistros, many with stunning views back across the bay to the city.

8

Muir Woods National Monument

Muir Woods lies in the middle of the redwood's latitudinal range that spans from the California/Oregon border to Big Sur, just south of Monterey. The weather is mild throughout the year, but summer is the busiest time to visit Muir Woods.
The incredible diversity of flora and fauna at Muir Woods can be daunting some times, elusive at other times. The redwoods themselves dominate the scene, but the humble Steller's jay, ladybugs, ancient horsetail ferns, and the banana slug hold their own beneath the canopy. Plants adapt to low light levels on the forest floor, while whole plant and animal communities bustle in the canopy above our heads.
